Dear For. Labaclado,

I am Mr. Jorg Glasbrenner, a German national currently living in Brgy. Esperanza, Inopacan, Leyte. I am writing to express my interest to conduct an assessment and implement a coral rehabilitation program in the marine sanctuary of Brgy. Esperanza, Inopacan, Leyte. The proposed program aligns with the barangay's environmental conservation initiatives and to enhance the marine sanctuary's ecological health, benefiting both the local environment and community.

In connection with this, I would like to request technical assistance from your good office. The assessment will be scheduled from February 3-7, 2025.

Thank you very much and I look forward to hearing from you.

Sincerely yours,

Jorg Glasbrenner
